About Kids Matter

More than 4 million children are being raised in poverty in the UK and the stress poverty places on them (and their parents) can result in long-term emotional and social problems. We therefore exist to help strengthen families and interrupt that negative trajectory.

Research has shown that the most effective early intervention to help children is group-based parenting programmes. For children to thrive, it is important for mums, dads and carers to increase their own wellbeing and confidence in their parenting skills. Whilst all parents need support, our effective and accessible programmes have been written for families facing disadvantages.

'It's worth doing, I would do it 20 times over and still learn something new in the twentieth session.'

Tash, mum

We partner with local churches and their community networks across the whole country to run our evidence-informed programmes in communities and in prisons, equipping mums, dads and carers with the tools (confidence, competence and community) they need to build strong relationships and strong families. Not only will this have a positive impact on child wellbeing and future outcomes, but it will also reduce the social and financial costs of family breakdown.

Our impact

Since launching in 2017, we have impacted **nearly 7,000 children** through our parenting programmes, equipping their parents (over 3,000 of them) with the skills needed to build a strong family. We have an ambitious vision to reach many more in the coming years.

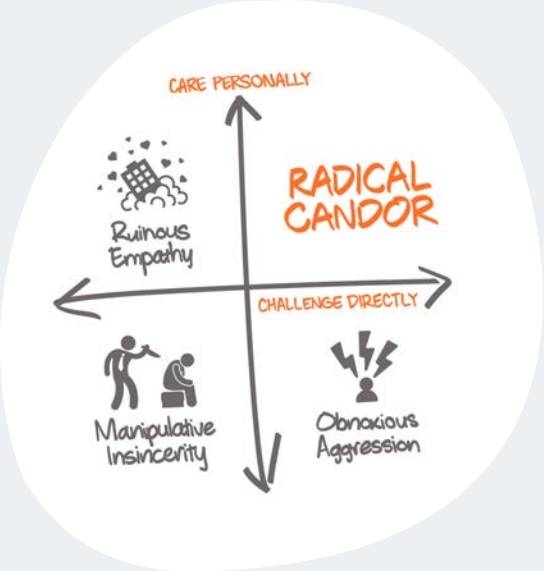
Our team

We have a wonderful team of brilliant people committed to transforming society, one family at a time, and a group of top-notch trustees who support us every step of the way.

Find out more about them here.



At Kids Matter, we strive to have a culture where giving and receiving feedback from anyone in the team is a common occurrence. We place high value on getting to know one another to create a foundation of trust from which we can challenge directly. Teams regularly have 360 feedback sessions and managers are encouraged to regularly ask for feedback from their direct reports.

We don't always get it right, but our aim is to operate from a place of 'Radical Candor'.

Our culture values are:

Faithful	We put our faith in God and we are fiercely loyal to our mission and vision.
Respectful	We draw alongside others and genuinely listen, affirming the dignity of everyone we encounter.
Excellence	We go above and beyond to provide the best quality in all we do.
Positive	We choose to be grateful, to be hopeful, and to see possibility in everyone.
Ambitious	We push for all to achieve their full potential so that together we can fulfil our vision of every child in need being raised in a strong family.

Statement of Faith

Nicene Creed

We believe in one God,
The Creator of all things,
Who holds the universe in love and wisdom.

We believe in Jesus Christ,
God's only Son, who is fully divine and fully human.

He was born to bring light into the world,
Lived among us, teaching truth and grace.
For our sake, He suffered, was crucified, and died.

On the third day, He rose again,
Defeating death and offering us new life.

He ascended into heaven and reigns with the Father,
And He will come again to restore all things.

Amen.
