

# YOUTH & KIDS WORKER

HOLY TRINITY  
WANDSWORTH

TO KNOW CHRIST AND MAKE HIM KNOWN

2026

## BACKGROUND TO HOLY TRINITY WANDSWORTH

Holy Trinity Wandsworth is in South-West London (Zone 2) with a mission to know Christ and make Him known to the people of SW London.

Our main Sunday service is at 10.30am with approx. 65 adults and 25 children each week. Our 9am traditional service has grown to about 20 adults. We have a growing fringe and we are seeing people increase in their regularity of attendance. In due course, we would like to plant more services – possibly an evening service aimed at youth and young adults.

David Simpson started as the Vicar in July 2023 after a curacy at HTB and theological college at Oak Hill. We want to be a church that takes the Word of God seriously and is led by the Spirit in mission and holiness.

Wandsworth is a vibrant Borough with the highest proportion of young adults in the country. There is also a lot of socio-economic and ethnic diversity, which brings a vibrancy to life in the community.

## PURPOSE OF ROLE

This is a great opportunity for a fun-loving, energetic Youth & Kids Worker who is excited by the idea of reaching youth, children and their families with the good news of Jesus and the adventure of following him. The candidate should build on and develop the strong foundations already laid – our Light Parties/ Easter Kids parties have been engaging with 150 kids each year, and our Holiday Club reaches 40 kids.

We believe that children and young people’s engagement with church should be fun, safe and a great way to make friends, whilst encountering God. Reaching young people is crucial for the future of the church, so we want someone who can help us reach families in the area.

The role could be part-time with main working days being Sunday and Monday (our Tots group with 50 kids meets then). A full-time Youth & Kids Worker would work closely with the Vicar to develop a three-year curriculum of Kids church content (for Sundays) and family devotionals. The hope is to offer the curriculum to other churches through various networks that the church is linked with.
