

Kibwezi Placement

KIBWEZI - Level 3 District Hospital, Day Clinic & Ward Placements, Anglican Church Outreach to District Rural Communities

Anglican Church, Kibwezi

A warm welcome awaits from

St Stephen's - a vibrant Anglican Church which outreaches to rural communities as well as in the town of Kibwezi.

You would stay in its pleasant compound and be actively involved in Church outreach programmes.

Close by is the Level 3 District hospital in Kibwezi that would be your other main placement.

Not too far away too is your one week's placement with a Community Safari Ranger Service

Ranger Service Opportunity

Nearby

It's all about being actively involved with the local ranger service team. You live beside them and work with them during the day. Lots of insights into how a ranger service works and time to reflect too on your experiences in Kenya and your next steps!

Wildlife abounds here, most major safaris animals live within this reserve...
